Serviced and shipped from North Carolina, USA

## Solutions

### Firearm Lubricant & Preservative

Long-lasting lubrication & protection for firearms, knives, tools and more. Fast and easy lubrication of gun bores, barrels, actions and contact surfaces. Soaks into metal and does not gum up; metal parts stay lubricated.

### Bore Solvent

Heavy duty solvent removes lead, copper, carbon fouling, oil and powder residue. Solvent-based formula cleans deeply & leaves a micro layer of corrosion protection.

### Brass Case Cleaner

Powerful, long-lasting brass case cleaning concentrate. Quickly cleans brass inside & out, removing powder residue, dirt, oil and oxidation. Effectively cleans primer pockets and necks.

### Pro 100 Ultrasonic Soap

Heavy-duty degreaser designed for ultrasonic cleaning. Safe on most metals, this water-soluble, biodegradable, concentrated detergent prevents flash rust.

## Baskets

Extra baskets are available, including smaller mesh for brass and other parts.

## Mobile Workstations

Workstations are available to fit each PGC unit.

# Pro Gun Cleaning (PGC) Models

### PGC 1212

**Power:** 360 W full / 180 W gentle  
**Heat Power:** 300W  
**Tank Capacity:** 4 gallons  
**Power Supply:** 120VAC  
**Tank Size:** 13"L x 12"W x 6"D  
**Unit Size:** 14"L x 13"W x 11"H  
**N.W./G.W. :** 20lbs / 23lbs

### PGC 2012

**Power:** 600 W full / 300 W gentle  
**Heat Power:** 500W  
**Tank Capacity:** 8 gallons  
**Power Supply:** 120VAC  
**Tank Size:** 20"L x 12"W x 8"D  
**Unit Size:** 21"L x 13"W x 13"H  
**N.W./G.W. :** 33lbs / 36lbs

### PGC 3608

**Power:** 500 W full / 250 W gentle  
**Heat Power:** 500W  
**Tank Capacity:** 8 gallons  
**Power Supply:** 120VAC  
**Tank Size:** 36"L x 8"W x 6"D  
**Longest Part:** 34"  
**Unit Size:** 45"L x 15"W x 18"H  
 (wheels add 4"H)  
**N.W./G.W. :** 107lbs / 141lbs

### PGC 3608T2

**Power:** 600 W full / 300 W gentle  
**Heat Power:** 500W  
**Tank Capacity (2):** 8 gal. ea.  
**Power Supply:** 220VAC  
**Tank Size (2):** 36"L x 8"W x 6"D ea.  
**Longest Part:** 34"  
**Unit Size:** 45"L x 26"W x 14"H  
 (wheels add 4"H)  
**N.W./G.W. :** 165lbs / 214lbs

### PGC 2012T3

**Power:** 600 W full / 300 W gentle  
**Heat Power:** 500W  
**Power Supply:** 120VAC  
**N.W./G.W. :** 54lbs / 78lbs

**Tank Size (overall):** 20"L x 12"W x 8"D  
**Compartments (3):** 6.5"W x 12"L x 8"D ea.  
**Tank Capacity:** 8 gallons overall,  
 2.5 gallons per compartment  
**Unit Size:** 21"L x 13"W x 13"H

### PGC 4808

**Power:** 900 W full / 450 W gentle  
**Heat Power:** 1500W  
**Tank Capacity:** 10 gallons  
**Power Supply:** 220VAC

**Tank Size:** 48"L x 8"W x 6"D  
**Longest Part:** 46"  
**Unit Size:** 54"L x 15"W x 14"H  
 (wheels add 4"H)  
**N.W./G.W. :** 130lbs / 180lbs
